Washington.

Sir:

I have the honor to submit herewith, in duplicate, the Statistical Section of the Moqui Indian Agency Annual Report for 1919, together with one copy of the Hopi Census corrected to June 30, 1919. The Narrative Section of the Moqui Report will be completed and follow shortly, as soon as necessary court work is finished by the superintendent.

The Hopi Census herewith is a duplicate of the census furnished the Office during April 1919 (at that time corrected to March 1) the additional corrections for March, April, May and June 1919 having been added. This census is complete and in accord with the vital statistics submitted under the new system.

The Statistical Section of the Annual Report, with respect to property valuations, supplies, implements, etc., is in accord with the general accounting system installed (such values having been taken from the cards), a full and complete register accounting covering same will be submitted within ten days.

Respectfully,

Leo Crane
Superintendent.
